

To be considered as a Small or Diversity Owned Business, the supplier should be able to furnish 3rd Party Certification.

For recognition of “new” suppliers, the business must complete our [Supplier Application Form](#) and self register in the [Online Representations and Certifications Application \(ORCA\)](#) and in the Small Business Administration (SBA) [Central Contractor Registration \(CCR\)](#) site. Recognition by any of the following 3rd party organizations is acceptable in verifying small or diversity owned business status. Other 3rd Party certification should be reviewed on a case by case basis.
