Enrollment/Eligibility

Who is eligible?
- All Undergraduate students, with the exception of Division of Unclassified Studies (DUS) students who are registered in degree programs for 4 or more credit hours.
- Eligible dependents of insured students, can also be enrolled in the Student Injury and Sickness Insurance Plan for an additional cost.
How do I enroll?
 All eligible students who do not submit an online waiver by the deadline will be automatically enrolled in the Student Injury and Sickness Insurance plan.

How do I enroll my eligible dependents?
 Students may enroll their eligible dependents online for an additional premium by visiting www.gallagherkoster.com/Vanderbilt, selecting “Dependent Enroll” and completing the form by the published deadline.
 It is the Insured student’s responsibility to enroll eligible Dependents each year. Dependents are not automatically re-enrolled. Students need to purchase coverage for their eligible dependent(s) at the same time of their initial plan enrollment and must purchase the same period of coverage in which they are enrolled.
 The deadlines to enroll dependents are as follows: September 12, 2011 for newly enrolled and returning Annual students to have an effective date of August 12, 2011; February 1, 2012 for newly enrolled spring students to have an effective date of January 1, 2012; June 1, 2012 for newly enrolled Maymester students to have an effective date of May 1, 2012; and July 1, 2012, for newly enrolled Summer students to have an effective date of June 1, 2012.
 The only time students can purchase coverage for their dependents outside of their own coverage period is if the student experiences one of the following qualifying events” (a) marriage (b) birth if a child (c) divorce or (d) if the dependent is entering the country for the first time. If dependent enrollment meets one these qualifying events, the Dependent enrollment form, supporting documentation, and payment must be received by Gallagher Koster within 31 days of the qualifying event. If not received within 31 days of the qualifying event, the effective date of coverage will be the date this form and payment are received at Gallagher Koster. Once a dependent is enrolled, coverage cannot be terminated unless the students loses eligibility.

Is there anything I need to know before waiving coverage?
Before waiving you should review your current policy to be sure that it provides comparable coverage:
 Will your current plan cover medical care beyond emergency services (i.e. Doctor’s office visits, diagnostic testing, labs & x-rays, and prescription drugs) in the Nashville, TN area?
 Does your plan have a high deductible that must first be met before your plan will pay for services received?
 Does your health plan have doctors and hospitals in the Nashville, TN area?
 If you are able to receive care, will you have to pay upfront and then seek reimbursement?

How do I waive?
If you determine your coverage to be comparable, go to www.gallagherkoster.com/Vanderbilt
1) Select ‘Student Waive.
2) Log-in using your Vanderbilt Student Email address as your user name and your Commodore ID number (formerly your Student Accounts ID number) as your password. If you do not know your Commodore ID number log onto https://login.mis.vanderbilt.edu.
3) Click on the red ‘I want to Waive’ button to access the Waiver Form.
4) You will need to have your current health insurance card available in order to complete the online waiver form.

Can students with comparable coverage still enroll in the student insurance plan?
Yes. Many parents and students enjoy the peace of mind of having the additional coverage. Some of the benefits of being enrolled in a student plan include:
 Access to Gallagher Koster Complements, dental and vision savings program, and CampusFit for a healthy lifestyle initiative.
 Travel Assistance services for domestic students studying abroad or traveling more than 100 miles from their home or campus, international students are not eligible for these services when in their home country. This includes Medical Evacuation and Repatriation Services.

Finding a provider

Can I go to any doctor or hospital?
Yes. You can go to any provider; however, you can save money by seeing providers that participate in UnitedHealthcare Options PPO network because providers participating in this network have agreed to accept a predetermined negotiated amount, or Preferred Allowance as payment for their services.

Go to www.gallagherkoster.com/Vanderbilt under click on “Find a Doctor” on your homepage to locate participating providers.

Claims Processing

If I receive a bill for services I received or need to be reimbursed, what should I do?
Physicians should bill the claims administrator. The billing information is on the back of your health insurance ID card. However if do you receive a bill or you paid for a service and need to be reimbursed, you should send your bill (and proof of payment if seeking reimbursement) to the claims administrator at the following address.
You do not need an additional claims form. Make sure your name, health insurance ID number, and school name are on the bill. Make a copy for your records and send it to the claims administrator.
